

Property-backed Lenders, Mortgage
Originators and Managers

Corporate Profile 2026

Fast Funding. Big Thinking. Jumbo Results.

30+ Years in Mortgages

Backed by decades of experience since 1995, the directors capabilities are rooted in strategic origination and management agreements with respected mortgage program managers.

They included: Interstar Securities, Challenger Mortgage Management, Challenger Non-Conforming Finance/The Mortgage Alternative, Advantedge Financial Services, Paladin Wholesale Finance (Pr1me), Seiza Mortgage Company, MOGA Lending, Mobius Financial Services and a number of less prominent providers.

Prior to the GFC, for several years Robert's non-bank lending businesses PRM & PMC, using wholesale funds from Challenger Mortgage Management, had the distinct honour of being consistently ranked in the top 5 for loan volume throughout Qld.

Management Team

Brokers you're in good hands!

We're a team of professionals having long-term business relationships with prominent legal firms, valuation firms and wholesale funding lines.

Subscriptions are in place with firms including Equifax for personal credit reports, CreditorWatch for commercial credit reports, DocuSign for issuing term sheets, applications, offer letters, etc and Cotality (RP Data) for desktop valuations.

As Originators and Managers under various Program Managers, the director has managed and provided 100's of Sub-originators over the years with a range of non-bank loan products. Jumbo Capital continues to support mortgage brokers with direct funding offering speed to market and transparency under the Jumbo Capital brand.
